24. About obtaining by the Company or termination from the Company of the right directly or indirectly (through persons controlled by it) independently or jointly with other persons connected with the company by an agreement on trust management of property, and (or) a simple partnership, and (or) instructions, and (or) a shareholder agreement, and (or) another agreement, the subject of which is the exercise of the rights, certified by shares (stakes) of an organization whose securities are admitted to on-exchange trading, to dispose of a certain number of votes attributable to voting shares (stakes) that make up its authorized capital, if the specified number of votes is 5 percent or has become more or less than 5, 10, 15, 20, 25, 30, 50, 75 or 95 percent of the total number of votes attributable to voting shares (stakes) that make up the authorized capital of the specified organization.

25. On conclusion by an entity controlling the Company or an organization controlled by the Company of an agreement providing for the obligation to acquire the

Company's securities.

26. On emergence and (or) termination of the right of the holders of the Company's bonds to demand from the Company early redemption of the Company's bonds belonging to them.

27. On assigning a rating to securities and (or) the Company, as well as on changing the rating by a credit rating agency or another organization on the basis of an agreement concluded with the Company.

28. On initiation of proceedings in a case in court on a dispute related to the creation of the Company, its management or participation in it (hereinafter referred to as the corporate dispute), or another dispute in which the Company is the plaintiff or defendant and the amount of claims for which is 10 or more percent of the balance sheet value of assets determined according to the financial statements of the Company as of the last reporting date (the end date of the last completed reporting period preceding the date the court accepted the statement of claim for proceedings) (hereinafter referred to as the material dispute), as well as on adoption of a judicial act by which the consideration of the case on the merits of a corporate dispute or a material dispute ends, except for the information specified in clause 41.6 of the Bank of Russia's Regulation No. 714-P.

29. On placement outside the Russian Federation of bonds or other financial instruments certifying loan obligations, the fulfillment of which is carried out at the expense of the Company.

30. On the decision of the Bank of Russia to release the Company from the obligation to disclose information in accordance with Article 30 of Federal Law of 22 April 1996 No. 39-FZ "On the Securities Market" (hereinafter referred to as the Law on the Securities Market).

31. On acquisition (alienation) of voting shares of the Company or depository securities certifying the rights to the voting shares of the Company by the Company or an organization controlled by the Company, except for the cases of acquisition of the voting shares of the Company (depository securities certifying the rights to the voting shares of the Company) in the process of placing voting shares of the Company or acquisition (alienation) of voting shares of the Company (depository securities certifying the rights in relation to the voting shares of the Company) by a broker and (or) trustee acting on his own behalf, but at the expense of the client in pursuance of the client's order.

32. On holding and agenda of the General Meeting of the Company's Bondholders, on decisions made by the General Meeting of the Company's Bondholders, as well as on declaring the General Meeting of the Company's Bondholders invalid.

33. On determination by the Company of bonds of a representative of the bondholders after the registration of the issue of the Company's bonds.

34. On the date from which the bondholders' representative exercises his powers.

35. On conclusion by the Company of an agreement on novation or provision of compensation, entailing the termination of obligations under the Company's bonds.

36. On emergence of the right of the owners of the Company's convertible securities to require the Company to convert their convertible securities of the Company.

37. About a project (projects) selected by the Company, for financing and (or) refinancing of which the funds received from the placement of bonds are (will be) used, the issue (program) of which is additionally identified using the words "green bonds", "social bonds", "sustainable development bonds", "adaptation bonds" (hereinafter referred to as green bonds, social bonds, sustainable development bonds, adaptation bonds), if such project (projects) are not specified in the decision to issue green bonds, social bonds,

sustainable development bonds, adaptation bonds.

38. On the conduct and results of an independent external assessment of the compliance of the issue (program) of green bonds, social bonds, sustainable development bonds, bonds, the issue (program) of which is additionally identified using the words “bonds related to sustainable development goals” (hereinafter - bonds related to sustainable development goals), adaptation bonds or the Company’s policy on the use of funds received from the placement of these bonds, or a project (projects) for financing (refinancing) of which the funds received from the placement of these bonds will be used, principles and standards of financial instruments specified in the decision to issue such bonds.

39. On the conduct and results of an independent external assessment of changes made to the Company’s policy on the use of funds received from the placement of green bonds, social bonds, sustainable development bonds, adaptation bonds.

40. On the conduct and results of an independent external assessment of changes made to the climate transition strategy (if the changes relate to the target performance indicators of the Company and their intermediate and final values, the internationally recognized climate change scenario, which is the basis for the development of the Company’s climate transition strategy, and also affect the achievability of intermediate and the final values of the Company’s target performance indicators through the implementation of the Company’s climate transition strategy) of the Company’s bonds, the issue (program) of which is additionally identified using the words “climate transition bonds” (hereinafter referred to as climate transition bonds).

41. On misuse of funds received from the placement of green bonds, bonds, the issue (program) of which is additionally identified using the words “infrastructure bonds”, social bonds, sustainable development bonds, adaptation bonds, and on the occurrence of consequences of misuse of the specified funds provided for by the decision to issue bonds.

42. On violation of the principles and standards of financial instruments specified in the decision to issue bonds during the implementation of a project (projects), for financing and (or) refinancing of which the funds received from the placement of green bonds, social bonds, sustainable development bonds, adaptation bonds are used.

43. On inclusion of green bonds, social bonds, sustainable development bonds, adaptation bonds in the list of financial instruments for sustainable development, published on the specialized page of the methodological centre of the State Development Corporation "VEB.RF" on the information and telecommunications network "Internet", or in the list of financial sustainable development instruments maintained by the International Capital Markets Association (ICMA) or the Climate Bond Initiative (CBI), and exclusion of such bonds from this list.

44. On achievement or non-achievement of intermediate (if any) or final target values of the key performance indicator (indicators) of the Company for the bonds, specified in the decision to issue bonds related to sustainable development goals.

45. On achievement or failure to achieve intermediate or final values of the target performance indicators of the Company for the climate transition bonds specified in the Company’s strategy for changing its activities in order to transition to a low-carbon economy (energy transition), prevent climate change and achieve other goals established by the Paris [Agreement](#) of 12 December 2015, adopted by [Resolution](#) of the Government of the Russian Federation of 21 September 2019 No. 1228 “On the adoption of the Paris Agreement” (came into force for the Russian Federation on 6 November 2019).

46. On other events (actions) that, in the opinion of the Company, have a significant

impact on the value or quotations of its securities:

- on significant deviation of the Company's financial indicators under IFRS and operational indicators of the Company from the actual values of such indicators for the same period of the previous year<sup>4</sup>;
- on inclusion of the Company's securities (organizations controlled by the Company that are of significant importance for the Company) in the stock index calculation base, which are used by significant groups of institutional investors when making decisions on including securities in their investment portfolios, information on the inclusion (exclusion) of the Company's securities (organizations controlled by the Company that are of significant importance for the Company) in sectors, segments (from sectors, segments) of stock exchanges;
- on significant changes in the Company's dividend policy approved by the Board of Directors of the Company (the Board of Directors of organizations controlled by the Company and having significant significance for the Company);
- on plans for the implementation by the Company (organizations controlled by the Company and having significant significance for the Company) of option programs approved by the Company's management bodies (organizations controlled by the Company and having significant significance for the Company);
- on plans of the Company (organizations controlled by the Company that are of significant importance to the Company) approved by the federal executive authorities and/or the Company's management bodies to carry out a takeover (acquisition) of other organizations, mergers with other organizations or implementation of significant joint projects.

47. Information constituting the annual consolidated financial statements (financial statements) of the Company, interim consolidated financial statements (financial statements) of the Company for the reporting period consisting of 3, 6 and 9 months of the reporting year, as well as information contained in audit reports prepared in relation to the said statements, or another document drawn up based on the results of the audit of the interim consolidated financial statements (financial statements) in accordance with the auditing standards.

48. Information contained in the Company's annual reports, with the exception of information that has already been disclosed earlier.

49. Information constituting the interim financial statements of the Company for the reporting period, consisting of 3, 6 or 9 months of the reporting year, together with the information contained in audit reports prepared in relation to the said statements, if the audit, as well as information constituting the annual financial statements of the Company, together with the auditor's report on it, if it has been audited.

50. Information contained in reports of the issuer of equity securities drawn up for reporting periods consisting of 6 months and 12 months, with the exception of information that has already been disclosed earlier.

51. Information contained in a securities prospectus, with the exception of information that has already been previously disclosed.

52. Information constituting the conditions for the placement of securities determined by the Company in a separate document, with the exception of information that has already been disclosed earlier (in the absence of a securities prospectus or the absence

---

<sup>4</sup> The lists of relevant indicators and the materiality levels of their deviations are determined by the Regulation on the information policy of Rosseti Centre, PJSC.

of conditions for their placement in the securities prospectus).

53. On conclusion by the Company of a strategic partnership agreement or other agreement (transaction), with the exception of agreements (transactions) provided for in paragraphs 21, 22 and 27 of this List, if the conclusion of such an agreement (transaction) may have a significant impact on the price of the Company's securities, admitted to on-exchange trading (in respect of which an application for admission to on-exchange trading has been submitted).

54. On adoption by a court, an arbitration court, the Federal Bailiff Service of interim measures (including seizure) in respect of funds or other property belonging to the Company, its controlling organization, an organization controlled by the Company, which is of significant importance to the Company, or that provided security on the bonds of the Company admitted to on-exchange trading (in respect of which an application for admission to on-exchange trading has been submitted) to an entity that is not the Russian Federation that has provided a state guarantee of the Russian Federation, a constituent entity of the Russian Federation that has provided a state guarantee of a constituent entity of the Russian Federation, or a municipal entity that has provided a municipal guarantee, constituting 10 or more percent of the book value of the assets of these entities as of the end of the last completed reporting period preceding the adoption of interim measures.

55. On acquisition by a person or termination of a right from a person directly or indirectly (through persons controlled by him) independently or jointly with other persons related to him by an agreement on trust management of property, and (or) a simple partnership, and (or) instructions, and (or) shareholder agreement, and (or) other agreement, the subject of which is the exercise of rights, certified by shares (stakes) of the organization that provided a surety, guarantee or pledge on the Company's bonds admitted to on-exchange trading (in respect of which an application for admission to on-exchange trading has been filed), if the person that provided such a surety, guarantee or pledge on such bonds is not the Russian Federation that provided the state guarantee of the Russian Federation, a subject of the Russian Federation that provided the state guarantee of a subject of the Russian Federation, or a municipal entity that provided a municipal guarantee, to dispose of a certain number of votes attributable to voting shares (stakes) constituting its authorized capital, if the specified number of votes is 5 percent or has become more or less than 5, 10, 15, 20, 25, 30, 50, 75 or 95 percent of the total number of votes attributable to voting shares (stakes) constituting the authorized capital of the specified organization.

56. On circumstances stipulated by clause two of subparagraph 23 of paragraph 1 of Article 2 of the Law on the Securities Market, depending on the occurrence or non-occurrence of which, payments are made or not made on the Company's structural bonds admitted to on-exchange trading (in respect of which an application for admission has been submitted to on-exchange trading) (including payments upon redemption of structural bonds) (hereinafter referred to as the circumstances), indicating the numerical values (parameters, conditions) of the circumstances or the procedure for their determination, as well as the amount of payments on a structural bond (including the amount of payments upon redemption of the structural bond) or the manner in which it is determined, except for information that has previously been disclosed.

57. On numerical values (parameters, conditions) of the circumstances or the procedure for determining them, as well as on the amount of payments on a structural bond (including the amount of payments upon redemption of a structural bond) or the procedure for determining it, if they are established by the authorized body of the Company prior to

the placement of structural bonds in accordance with subparagraphs 1 and 2 of paragraph 3 of Article 27.1.1 of the Law on the Securities Market, with the exception of information that has already been disclosed earlier (if such information is not contained in the decision to issue structural bonds).

58. On initiation of a criminal case (received by the Company from the bodies of preliminary investigation or bodies of inquiry) against a person who is a member of the management bodies of the Company, an organization that controls the Company, an organization controlled by the Company that is of significant importance to it, or a person who provided security for bonds of the Company admitted to on-exchange trading (in respect of which an application for admission to on-exchange trading has been submitted).

59. Information contained in the materials on the basis of which the Company's management bodies, with the exception of the General Meeting of Shareholders, make decisions that may have a significant impact on the price of the Company's securities admitted to on-exchange trading (in respect of which an application for admission to on-exchange trading has been filed), with the exception of information that has already been previously disclosed.
