DAILY MARKET REVIEW

ELECTRIC POWER INDUSTRY NEWS

Candidate for Deputy Prime Minister of the Russian Federation Alexander Novak asked the State Duma to support the bill on the creation of a backbone territorial grid organization (TGO). "I also ask you to support, upon closer examination, the draft law on the creation of system-forming territorial grid organizations in each constituent entity of the Russian Federation," he said during a speech at a plenary session in the State Duma. He recalled the work carried out to develop and tighten criteria for maintaining the status of TGOs - today the number of such grid organizations has decreased to approximately 1 thousand from 4 thousand 10 years ago.

Power engineers in Yaroslavl practiced actions in emergency situations

Power engineers from the branch of Rosseti Centre, PJSC - Yarenergo took part in special tactical exercises to eliminate emergencies as a result of natural fires. According to the legend, four forest fires with a total area of up to 15 hectares arose near the village of Smolenskoye in the Zavolzhsky district of Yaroslavl. The participants of the exercises showed high coordination of actions. The power engineers promptly de-energized the line, ensuring safe access for firefighters and rescuers. The specialists worked out various methods of extinguishing fires and evacuating people from the danger zone.
