## Independent auditor's report

To the Shareholders and Board of Directors of Public Joint stock company «Rosseti Centre»

## Opinion

We have audited the financial statements of Public Joint stock company «Rosseti Centre» (the Company), which comprise the statement of financial position as at 31 December 2021, statement of financial results for 2021 and appendices thereto.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2021 and its financial performance and its cash flows for 2021 in accordance with the rules on preparation of financial statements established in the Russian Federation.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (including international standards of independence) (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in the Russian Federation, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

## Key audit matter

How our audit addressed the key audit matter
Recognition and assessment of revenue from electricity transmission services

Recognition and assessment of revenue from electricity transmission services was one of the most significant matters of our audit in connection with certain specific features of the electricity market functioning mechanisms, which cause the existence of disagreements between power grids, power sales and other companies regarding the volumes and cost of transmitted electricity. The amount of revenue disputed by

We reviewed the applied accounting policy with respect to the recognition of revenue from electricity transmission services, assessed the internal control system for the reflection of this revenue, checked the correctness of determining the respective amounts of revenue based on the electricity transmission agreements concluded, on a selective basis received confirmations of receivables balances from counterparties,
the counterparties is significant for the Company's accounting (financial) statements. The Company's management's assessment of the probability of resolving disputes in its favour is largely subjective. Revenue is recognized when, subject to assumptions, differences are resolved in favour of the Company.
Information on revenue from electricity transmission services is disclosed in paragraph 10 and 16 of the Notes to the statement of financial position and the statement of financial results.

## Impairment of account receivables

Impairment of account receivables is one of the most significant matter for our audit due to significant balance of the Company's account receivables as at 31 December 2021, as well as due to the fact that management's assessment of recoverability of account receivables is based on assumptions, in particular, on the forecasted ability of the Company's customers to pay. Information on impairment of accounts receivable is disclosed in paragraphs 10 of the Notes to the statement of financial position and the statement of financial results.

## Recognition, measurement and disclosure of provisions and contingent liabilities

Recognition, measurement and disclosure of provisions and contingent liabilities in respect of litigations and claims of counterparties (including territorial electric grid companies and energy supply companies) were matters of most significance in our audit because they require a lot of management judgments in respect of significant amounts of the balance of settlements with counterparties disputed in the course of litigation or in the process of pre-trial settlement. Information on provisions and contingent liabilities is disclosed in paragraph 13 of the Notes to the statement of financial position and the statement of financial results.
analyzed the results of legal proceedings regarding the disputed amounts of services rendered, if any, and assessed the existing procedures for confirming the amount of electricity transmitted.

We analyzed the adequacy of the Company's accounting policy with respect to impairment of account receivables, as well as the procedures for confirming the appropriateness of estimates made by the Company's management, including analysis of history of settlements, ageing and overdue receivables and customers' ability to pay.
We performed audit procedures in relation to the information used by the Company to determine the impairment of receivables, as well as in relation to the structure of receivables by maturity, tested the calculation of the amount of the accrued provision.

The audit procedures included review of court rulings made by courts of different levels, review of adequacy of management judgments and documents confirming the assessment of possibility of outflow of economic resources following dispute resolutions, conformity of the prepared documentation with the existing contracts and compliance with the law, analysis of disclosure of contingent and estimated liabilities in the Notes to the statement of financial position and the statement of financial results.

## Other information included in the annual report

Other information consists of the information included in the annual report other than the financial statements and our auditor's report thereon. Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the
audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that such other information contains a material misstatement, we are required to report that fact. We have no information about such facts.

## Responsibilities of the management and the Audit Committee of the Board of Directors for the financial statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the rules on preparation of financial statements established in the Russian Federation, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Audit Committee of the Board of Directors is responsible for overseeing the Company's financial reporting process.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
-Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control system;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
-Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
-Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Audit Committee of the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee of the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Audit Committee of the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The head of the audit resulting in this independent auditor's report is T.L. Okolotina.
