Grids prepare for power transmission

The Federal Grid Company (FGC), which manages the main power grids, will unite the main power grid assets of the Russian Federation, including Rosseti, on its base. On this basis, the United Grid Company will be created - the operator of backbone grids and the owner of controlling stakes in IDGCs. On 15 July, a joint board of directors of Rosseti and FGC was held, where a decision was made to consolidate Rosseti on the basis of FGC.
