**ERA of Russia Association: joint work with the Electric Power Trade Union promotes the prevention of conflicts and labour disputes**

Well-established interaction between the parties to the social partnership in the electric power industry not only helps protect the interests of employers and employees but also helps reduce the number of conflicts and employee complaints. This opinion was expressed by Arkady Zamoskovny, President of the Energy Employers' Association of Russia (ERA of Russia Association), in an interview with Valery Presnyakov, Editor-in-Chief of EPR.
