COMPANY NEWS

Rosseti Centre supplied electricity to two large residential complexes in Lipetsk

Specialists from the branch of Rosseti Centre - Lipetskenergo connected two residential complexes under construction in Lipetsk to the power grid. They include several multi-story residential buildings, as well as social and recreational infrastructure facilities. The total connected capacity was 1.2 MW. Modern Russian equipment and materials were used in installing the power supply system. The residential areas are now provided with Category 2 power supply reliability.
