2.1. Brief description of the event (action), the occurrence (accomplishment) of which, in the opinion of the issuer, affects the value or quotations of its securities: Rosseti Centre, PJSC published its unaudited Interim Condensed Consolidated Financial Statements for 3 and 6 months of 2026, prepared in accordance with International Financial Reporting Standards (IFRS). Profit for the period amounted to RUB 8.5 bln, which is higher than the value for the same period last year by RUB 3.1 bln. The increase in comparison with 6 months of 2025 was 57.4%, which was caused mainly by the growth of revenue from electricity transmission. Revenue for the reporting period increased by 13.5% relative to the revenue for 6 months of 2025 and amounted to RUB 80.6 bln. The main factor that influenced the growth in the consolidated revenue is an increase in revenue from electricity transmission due to growth in the electricity transmission rates. Operating expenses of the Group of Companies following the results of 6 months of 2026 amounted to RUB 66.9 bln, which is 10.6% higher than the value for the same period last year. The main factors influencing the growth in operating expenses are increased electricity costs to compensate for technological losses, driven first of all by the increased price of electricity, and growth in expenses for employee benefits, caused by the wage indexation since 1 July 2025. EBITDA following the results of 6 months of 2026 reached RUB 21.9 bln, which is 17.7% higher than the same indicator last year. The main driver of the EBITDA growth is increase in revenue from electricity transmission. The financial condition of the Group of Companies following the results of 6 months of 2026 is characterized as stable. 2.2.
