Rosseti is trusted. The state holding will receive management of four seized companies

Rosseti (MOEX: FEES) will receive trust management of shares in four grid companies that were seized by the state in 2025 as part of anti-corruption cases. These assets have recently generated profits and therefore will not deteriorate Rosseti's economic performance. Analysts believe that these entities could be merged with systemically important territorial grid organizations in the future.

Rosseti Centre provided power supply to a new swimming pool in the Belgorod region

Specialists from the branch of Rosseti Centre - Belgorodenergo have connected the new swimming pool, currently under construction in Gubkin, to the power grid. The sports facility will have a power consumption of 630 kW. To connect the sports facility to the power grid, a package 6-0.4 kV transformer substation was constructed, and several cable transmission lines with a total length of 0.6 km were installed.
