

ELECTRIC POWER INDUSTRY NEWS

The System Operator is preparing for information exchange based on CIM

On the eve of the fourth conference "CIM in Russia and the World", Roman Bogomolov, Director of Automated Dispatch Control Systems at the System Operator, shared information about the readiness of the energy sector for information exchange based on CIM standards. This was reported by the press service of JSC SO UES.

This year the conference moves to a new level with a focus on the practical application of technology in Russia. Energy specialists will gather to exchange experiences and solve technological problems.
