Since the beginning of the year energy consumption in Russia has grown by half a percent

Electricity consumption in Russia has increased by 0.5% since the beginning of the year, Energy Minister Nikolai Shulginov told reporters. "Since the beginning of the year, the growth in electricity consumption has been 0.5%," he said.

The minister called a similar figure in early May. Then he also noted that the ministry keeps the forecast for the growth of energy consumption as a whole for this year in the amount of 1-1.5%.
