#### Rosseti proposes to abandon non-discriminatory access to grids in energy-scarce regions

Rosseti proposes to abandon the non-discriminatory principle for connection to power grids in areas with a shortage of energy capacity. This was stated by Deputy Director General for Investments and Capital Construction of the Electric Grid Holding Alexey Molsky at the IX conference "Priorities of the Market Electric Power Industry in Russia" of "NP Market Council", which was held in Sochi on 21-22 September.

"We believe that the non-discrimination principle can be revised from the point of view of connecting to grids," he said, speaking about the difficulties of connection to grids in energy-scarce regions.
