Director of the Vladimirenergo branch held a meeting with staff of the Kameshkovsky Distribution Zone

2022 has been declared the Year of Occupational Safety and Health. In this regard, the main topic of discussion at the meeting was issues of industrial safety. Possible cases of industrial injuries and measures taken to prevent them were considered. The branch's Director Ivan Yanin stressed the particular importance of observing safety precautions when performing work at facilities of the power grid complex, using the necessary personal protective equipment.
