### The head of the Ministry of Energy Shulginov urged to fix the responsibility of regional authorities for consolidation of TGOs and preparation for the autumn-winter period

The head of the Ministry of Energy of Russia, Nikolai Shulginov, considers it necessary to legislate the responsibility of regional authorities for the consolidation of TGOs and preparations for the autumn-winter period. He stated this on Tuesday, 5 September, during a meeting of the government commission on ensuring the security of electricity supply on the preparation of electric power industry entities and housing and communal services facilities of the Siberian Federal District (SFD) for the heating season of 2023-2024.
