Belgorodenergo is ready for operation in a special fire-fighting mode

A special fire-fighting mode has been declared in the Belgorod region. During this period, increased attention is being paid to the safety of energy facilities. The branch of Rosseti Centre - Belgorodenergo urges residents to exercise caution when handling fires in protection zones of power lines, especially in forested areas. The main fire hazards are unauthorized garbage dumps, timber and lumber warehouses, and fuel and lubricant warehouses near power facilities.
