COMPANY NEWS

Igor Makovskiy: further development of Rosseti Centre and Rosseti Centre and Volga region is based on introduction of domestic innovations

As part of the events dedicated to the meeting of the IX Annual Board, an exhibition of innovative technologies was held on the territory of the Grid Control Centre of the Kalugaenergo branch.

Participants of the board got acquainted with the key developments that are already being used by power engineers today and show real results. 3 main blocks of innovations were presented: safety and labour protection, new materials and technologies, as well as software and hardware systems.

A gift with meaning

The Nizhnovenergo branch took part in the action "Give books with love", which was held in the Regional Children's Library on the eve of the International Book Giving Day.

"This is a gift with meaning. Books carry knowledge, open up new worlds, develop imagination and thinking. For children's development, these are very important tools. I thank my colleagues for their indifference and participation in the action," said Evgeny Turapin, Acting Deputy General Director -Director of the branch of Rosseti Centre and Volga region, PJSC - Nizhnovenergo.
