Smolenskenergo informs about planned repair work in March 2024

Dear consumers! In cases of scheduled repair work, commissioning of new power lines or new power grid equipment, employees of the branch of Rosseti Centre - Smolenskenergo temporarily suspend power supply in order to avoid emergency situations and minimize risks. Based on the capital repair plan, Smolenskenergo monthly creates a schedule of planned outages, indicating facilities and deadlines. At the same time, the branch's specialists try to carry out the maximum possible amount of work at the site without interrupting the power supply to consumers, and carry out work related to the outage in the shortest possible time, during a period when the inconvenience associated with the power supply interruption is minimal.
