

## ELECTRIC POWER INDUSTRY NEWS

### The head of the Ministry of Energy proposed to extend the modernization of the electric power industry for ten years

The modernization program in the Russian electric power industry needs to be extended for ten years, Energy Minister Nikolai Shulginov said at a press conference.

"We definitely need to extend it. We will make this decision by the end of the year. And the period is approximately, I think, 10 years, these are large volumes," he said.
