

ELECTRIC POWER INDUSTRY NEWS
Regional authorities in Russia are required to send notices to energy companies about consumers who cannot be disconnected

The Russian government has obligated regional authorities to notify energy companies directly about the inclusion of consumers on the list of those who cannot be disconnected. The new requirement is set forth in Resolution No. 451 of 23 April 2026, and changes the previous notification procedure. The document was published on the Official Internet Portal of Legal Information.
