#### Udmurtenergo's power engineers are preparing for bad weather

According to forecasts from the hydrometeorological centre, on the afternoon of 15 March, weather conditions are expected to worsen (winds will increase to 17 m/s). Udmurtenergo's power engineers are exercising enhanced control over the power supply to consumers in the region.

116 crews are ready for a quick response: 559 people and 182 special vehicles. The branch also has at its disposal 31 backup power sources with a total capacity of more than 2.5 MW, which can be used to supply electricity to socially important facilities in the region.
