### Damaged power transmission poles are being restored in the Bryansk region

The day before, in the Bryansk region, unidentified people blew up power transmission poles near the railway. Emergency services immediately rushed to the spot. As explained in Bryanskenergo, the emergency occurred on 12 September at 11:36. Due to third-party influence, the reserve line in the Suzemsky district was disconnected. Upon inspection, the experts found minor damage to two poles.
