

ELECTRIC POWER INDUSTRY NEWS

Rosseti at the "Russia" forum spoke about power grid projects for development of the country's economy

Over the past six years, Rosseti Group has more than doubled its annual investments in the construction and modernization of infrastructure. The largest projects are related to solving problems of national importance and meeting the growing demand for electricity. Alexey Molsky, Deputy Director General for Investments and Capital Construction of PJSC Rosseti, spoke about this at the session "The electric power industry as a driver of economic growth" as part of the industry day of the International Exhibition and Forum "Russia".
