In 2023, 169 students completed industrial and pre-graduate internships at Udmurtenergo

In total, the Udmurtenergo branch accepted students from 21 educational institutions in Udmurtia and neighbouring regions for practical training, reports the InformBuro telegram channel.

Under the supervision of their mentors from among the branch's experienced employees, future power engineers received practical knowledge of technological processes, equipment of substations and electric grids, and studied the specifics of the enterprise's activities. Graduate students developed their diploma projects based on current production problems. Proven trainees received job offers from the company.
