Igor Makovskiy thanked the power engineers for their professionalism and dedicated work during the emergency restoration work

During the operational meeting, Igor Makovskiy, General Director of Rosseti Centre and Rosseti Centre and Volga region, assessed the provision of reliable power supply to consumers during periods of abnormal weather events. Please, be reminded that several regions of the Central Federal District and Volga Federal District were covered by a powerful wave of bad weather, which did not stop for several days: heavy snowfall, wind with gusts of up to 20 metres per second and temperature changes. The disaster caused the greatest damage to power grids in the Yaroslavl and Tver regions.
