The State Duma adopted a law on "line amnesty"

The State Duma on Friday, 21 July, adopted in the third, final reading the law on "line amnesty". It is about a simplified procedure for registration of rights to line facilities (pipelines, gas pipelines, power lines, etc.) built before the entry into force of the Town Planning Code of the Russian Federation. The document was submitted by the Russian government.

Marienergo's specialists conducted an excursion for energy class schoolchildren

The branch of Rosseti Centre and Volga region, PJSC - Marienergo hosted an excursion for 10th grade students of secondary school No. 30 of Yoshkar-Ola. During the summer holidays, the young people ended up in the region's leading power grid company for a reason: this city school for the first time created an energy class in order to attract city schoolchildren to an in-depth study of physics and mathematics, the choice of engineering specialties and the popularization of the energy profession.
