Nizhnovenergo reminds about the rules for connecting backup power sources

The branch of Rosseti Centre and Volga region, PJSC - Nizhnovenergo reminds residents of the Nizhny Novgorod region about the basic rules for safe connection of backup power sources. Power engineers draw attention to the fact that failure to comply with these rules creates a risk of electrical injuries, damage to equipment and fires, both for the owner of the backup power source and for residents connected to this network.
