FAS is developing a plan for dividing RusHydro into generation and grids

The Federal Antimonopoly Service of Russia, together with the Ministry of Economic Development and the Ministry of Energy, is developing a plan for the division of PJSC RusHydro by type of activity - into generation and grids - as part of the transition of the Far East to the price zone of the energy market, follows from the speech of Deputy Head of the Federal Antimonopoly Service Vitaly Korolev during the conference organized by the Vedomosti newspaper "Russian energy".

COMPANY NEWS

The Kursk City Hall wants to transfer local power grids to the management of Rosseti Centre

The Kursk City Hall, which owns a controlling stake in JSC Kursk Electric Grids (KEG), plans to transfer the resource supply organization to the management of the branch of Rosseti Centre, PJSC – Kurskenergo. This was announced by Vice Mayor Olga Grankina. The administration clarifies that KEG is in a deplorable state – employees are leaving, there is no money for car repairs and other resources. According to Mrs. Grankina, these factors jeopardize the reliable fulfillment of obligations for electricity supply to consumers.
