

ELECTRIC POWER INDUSTRY NEWS

Shulginov stated the need to update the general plan for the placement of electric power facilities

The electric power sector requires high-quality planning and forecasting. To achieve this, it is necessary to update the general plan for the placement of electric power facilities until 2042, clarifying the availability of power equipment and the actual trends of energy consumption. Nikolai Shulginov, Chairman of the State Duma Energy Committee, announced this to TASS.
