#### Employees of the Udmurt branch of Rosseti Centre and Volga region held electrical safety classes for students of the Energy circles

Employees of the Udmurtenergo branch held classes on the basics of safe behaviour near power facilities and handling electricity at home for high school students from the Igrinskaya School. The Energy circles' students were reminded of the dangers of electric shock, learned about ways to protect themselves from electrical injuries, and learned about the special gear used by power engineers when servicing high-voltage equipment.
