- Reduction of the cost of electricity transmission is due to a change in the "joint operation" model in the Bryansk region from 01.06.2014;
- Increase in staff costs is due to the indexation of wages of production personnel in accordance with the Sectoral Tariff Agreement;
- Expenditure on electricity purchase for resale decreased due to the termination of functions of a supplier of last resort;
- Depreciation decreased as a result of accounting the impairment of fixed assets following the results of 2014;
- Growth of "Recognized estimated liabilities" is related to the increase of provisions for legal proceedings in the branches of Bryanskenergo and Kurskenergo.
