Nikolay Shulginov held an "open dialogue" with energy students

30 November, Moscow. – In the pavilion "Energy of Life" of the International Exhibition and Forum "Russia" a meeting took place between Nikolay Shulginov and students of the National Research University "MPEI". Young people were interested in a wide range of issues. During two hours of communication, the Minister spoke about the current situation in the fuel and energy complex, the practice of using artificial intelligence in the industry, the problems of the energy transition, the prospects for hydrogen and thermonuclear energy; about the impact of sanctions and resolving issues of import substitution, about interaction with foreign partners and much more.
