### Rosseti is among the leaders in the procurement management quality rating

The awards ceremony for the winners of the V Procurement Management Quality Rating, prepared annually by Expert RA, took place in Moscow. Rosseti was among the top 5 state-owned companies operating under Federal Law 223-FZ. The rating methodology is based on an analysis of quantitative and qualitative indicators reflecting key aspects of corporate systems, as well as opinions of the professional community.

## COMPANY NEWS

### The Smolensk branch of Rosseti Centre opened its doors to high school students from a Smolensk school

The branch of Rosseti Centre, PJSC - Smolenskenergo held an open day for ninth-graders from School No. 25 in Smolensk. The students visited the company's museum and toured the heart of the energy system – the Grid Control Centre. This event brought together the students who are eager to learn more about the importance of the energy sector in the country's life and the prospects for careers in this field.

### 30 high school students to attend Rosseti Group's "Energy circles" in the Udmurt Republic

In October, the new season of the all-Russian career guidance project "Rosseti Group's energy circles" began in schools in the Udmurt Republic. The program for schoolchildren was developed by power engineers in collaboration with experts from the National Research University "MPEI". The project aims to prepare high school students for successful completion of their final exams and to guide them toward careers in the energy sector.
